Managed Services Quote

Brian Camp · 972-807-0878 · bcamp@teamlogicit.com · teamlogicit.com/Sherman-CelinaTX

Prepared for: The Hearing and Balance Clinic

Environment: 5 computers-all · 3 employees · 3 mailboxes · 2 incidents · 1 tb

Date: June 21, 2026

Thank you for the opportunity to support The Hearing and Balance Clinic. The plan below wraps your computers, email, and data in proactive management and layered security — so your team stays focused on the work while we keep the technology secure, monitored, and running.

Services Included

Service	What's Included
Managed Services Essentials	
Remote Monitoring & Management	24/7 monitoring and management of all workstations (RMM agent on every device).
Patch Management	Operating-system and third-party software patching, fully managed.
Network Operations Center	Proactive NOC oversight of computers and infrastructure.
Cloud Backup	Cloud-based data protection covering workstations and business data.
Help Desk Support	U.S.-based help desk for day-to-day user support and issue resolution.
Cybersecurity Essentials	
Endpoint & Identity Protection	Next-gen antivirus + EDR + 24/7 Managed Detection & Response.
DNS Filtering	Web/DNS-layer filtering to block malicious

	and inappropriate sites.
Password Manager	Business password manager for all staff members.
Email Encryption & Threat Protection	Encrypted email with threat protection and archiving.
Security Awareness Training	Ongoing phishing simulation and security awareness training.
Dark Web Monitoring	Continuous monitoring of the domain for compromised credentials.

Monthly Investment

Both options include the full stack of Managed Services and Cybersecurity Essentials above — the difference is whether on-site support is included alongside remote support.

Plan	Support	Monthly Price
Managed Services — Onsite & Remote Support	On-site + remote	\$630 / mo
Managed Services — Remote Support	Remote	\$530 / mo

One-Time Onboarding

A one-time onboarding fee of **\$630** covers initial setup, agent deployment, security configuration, and documentation of your environment.

Next Steps

To move forward, two documents will be put in place: a Master Services Agreement (MSA) that sets the overall terms of our relationship, and a Statement of Work (SOW) that details the services and pricing in this quote. Once both are signed, we'll schedule onboarding at a time that works for you.

To get started or walk through any line item, call Brian Camp at 972-807-0878 or email bcamp@teamlogicit.com.
